MUM faculty Cathy Gorini and Tom Brooks have designed a six-credit course that will combine deep silent experiences at the Brahmasthan of India with extensive travel around India. The course is open to both current MUM students and alumni and friends of the University.

Experience long meditation, profound knowledge, and listening to live Vedic performances by 1331 Maharishi Pandits of the Rudrabhishek Yagya at the Brahmasthan of India.

Travel from the southern tip of India, with its amazing temples and beaches to Rishikesh in the foothills of the Himalayas, experiencing ancient sites sacred to Hindus, Muslims and Buddhists. Experience the vitality and creativity of a new generation of students at Maharishi Vidya Mandirs - Consciousness-Based schools in India.

See aspects of the ancient Vedic culture of India unchanged in many thousands of years revitalized by Maharishi from its completeness.

Visit the Maharishi Smarak, the memorial to Maharishi and his teachings, on the bank of the Ganges River, overlooking the location of the recent Kumbha Mela, which had over 100 million people in attendance.

Take a dip in the Ganges River and visit the Ashram of the Shankaracharya where Maharishi spent almost 13 years with Guru Dev.

Join us for a course filled with adventure and knowledge!
